

ELKRIDGE LANDING MIDDLE SCHOOL “Working Together We Make a Difference”

The ELMS after school intramural program will begin October 30, 2018. The program will be held on Tuesdays and Thursdays. The after school intramural program is of great benefit to many students. It gives them an opportunity to work on improving their athletic and social skills. Additionally, students have the opportunity to work with different students and faculty members. Students may choose more than one intramural.

Each program will begin at 2:50 p.m. and end promptly at 4:00 p.m. We have an after school bus available through April 25. The bus is free but we only have one. There are multiple stops for the bus to make. Depending on the bus route, the bus may take 45 minutes **or more** to make all the stops. Buses will arrive to pick up the students between 4:00 pm and 4:10pm. Any student who is not picked up by **4:05 p.m** will be placed on the after school bus. After April 25, students must be picked up by parents to participate in the intramural.

All athletic intramurals will meet in the Gymnasium immediately after dismissal. Please check our newsletter for any changes that may occur. Attendance rosters will be posted on the bulletin board near the cafeteria for students to check. Some intramurals will have limited enrollment due to safety concerns. Students MUST have the form turned in to participate in the intramural. **Please make sure to include all contact information on the bottom of the form.**

If you have any questions, please email our intramural coordinator, Mrs. Fastovsky at shayna_fastovsky@hcpss.org or call 410-313-5040. The intramural permission form and schedule is available at school in the main office or on the ELMS web site: elms.hcpss.org

INTRAMURAL PERMISSION FORM

Grade _____

I grant permission for my son/daughter, _____,

to participate in the following intramural(s)

I understand that there are inherent risks of injury or harm in any physical activity and in granting permission for my child to participate in this activity I am assuming those risks on their behalf.
